Trovelore is an embroidery atelier specialising in the use of needlework and mixed materials to craft a line of embellished Jewelry. Delicately embroidered by hand, the precise choice of materials, colours and techniques give a precious life-like quality to our designs. The Trovelore atelier helps sustain and keep alive hand workmanship. Making our products is the artisans' prime source of livelihood and we are humbled in our contribution to this cause.
BUMBLEBEE
Embellished Pin
Bumblebees, amongst the most
tant pollinators, are in
trouble, and the cascading ecol
oming soon.
